Pakistan

WHO WE ARE

IZS Enterprises (SMC-Private) Limited is a Pakistan-based company engaged in **General Trading, Procurement, General Supplies, Distribution, and Contracting**.

We provide practical sourcing and supply solutions to businesses, institutions, organizations and commercial customers by connecting their requirements with suitable manufacturers, distributors and suppliers.

Our focus is on **reliable sourcing, competitive pricing, quality products, timely delivery and professional customer service**.

Our Vision

To become a trusted and professionally managed trading and supply company in Pakistan, recognized for reliability, competitive solutions and quality service.

Our Mission

To understand our customers' requirements, source suitable products efficiently, and deliver supply solutions with professionalism, transparency and accountability.

OUR CORE SERVICES

01 General Trading

Wholesale and general trading of legally permissible products for business, institutional and commercial requirements.

02 Procurement & Sourcing

Supplier identification, market sourcing, price comparison, quotations, and order coordination.

03 General Supplies

Multi-category supply solutions for commercial organizations, institutions and organizations.

04 Distribution

Product distribution and scheduled supply arrangements for suppliers and business partners.

05 Supply Contracts

One-time orders, recurring supplies, annual supply arrangements, framework agreements and purchase-order based contracts.

06 Contracting

Eligible contracting and execution assignments subject to applicable registrations, approvals and project requirements.

PRODUCTS & SUPPLY CATEGORIES

Office & Stationery

Stationery · Paper products · Files & folders · Printing consumables · Office accessories

- Private Companies
- Factories & Industrial Organizations
- Corporate Offices
- Schools & Educational Institutions
- Hospitals & Healthcare Organizations
- Hotels & Restaurants
- Retail Businesses
- Warehouses
- NGOs & Organizations
- Government & Semi-Government Organizations
- Institutions & Associations

Our Procurement Process

1 Requirement → 2 Sourcing → 3 Supplier Comparison → 4 Quotation → 5 Purchase Order → 6 Procurement Check → 7 Delivery

Why IZS Enterprises?

Reliable Sourcing

We identify suitable suppliers and products according to customer requirements.

Competitive Solutions

We compare market options to develop commercially competitive quotations.

Quality Focus

We aim to supply products according to agreed specifications.

Timely Delivery

We coordinate procurement and delivery according to agreed timelines.

Professional Documentation

Clear quotations, purchase orders, invoices and supply records.

Long-Term Partnership

We focus on developing sustainable relationships with our customers and suppliers.

OUR VALUES

INTEGRITY

Honest, transparent and accountable business dealings.

RELIABILITY

We strive to deliver what we commit to our customers.

QUALITY

We focus on meeting agreed product and service requirements.

PROFESSIONALISM

Professional communication, documentation and execution.

CUSTOMER SATISFACTION

Customer satisfaction is at the heart of our approach.

PARTNERSHIP

Sustainable growth comes through strong relationships with customers and suppliers.

COMPLIANCE

IZS Enterprises is committed to conducting its business in accordance with applicable laws, regulations and professional standards. Where a business activity requires a specific license, registration, certification, approval or permission, the company will obtain the applicable authorization before undertaking that regulated activity.
